Hi Zach,

The date of our meeting at Napa District Attorney's office was September 28, 2022. CSLB does not maintain dates reports are submitted for review. The report was approved/signed by Jessie Flores on February 02, 2023. The report Jessie signed included the information from our September 28, 2022 meeting in Napa.

Hi Amanda

Thank you.

Can I also get:

The date of the meeting at the Napa DA's office so I can put in another request for the tape?

Also you mentioned my file was already turned in to Jessie prior to that Napa meeting and gathering info - I am requesting the date it was turned in to Jessie and the date he approved it please.

Thank you

You emailed me a link to an online portal – I don't remember if it was dropbox. I was able to access the recording initially.

It was 9/28/22. When I asked you last time I believed you checked your recorder as well and it was gone. If you do find it then great!

Do you know the date of the interview. By some miracle it may be on recorder but I highly doubt it.

This is just FYI. The suspect I interviewed with you at your office (Zach and Angie Minor – NorCal Fire) may reach out to you and ask for the audio recording from the 9/28/22 interview. Zach asked a while back for the audio recording so I went to look for it and the recording was gone from the link you gave me. You also checked and confirmed it was gone from the online storage portal. I relayed this info to the Sonoma DAs office who explained this to his attorney. Zach reached out to me today asking for the recording and I explained the same thing. After our conversation, he sent the below email stating he was going to put in another request for the ‘tape.’ He has been told the recording is no longer available from the link so I am not sure what he will be asking for. Anyway, just wanted to give you a heads up because he may reach out to Napa DAs office to request it.

He recently pled out on the case in Sonoma. The DDA that handled the case is Katy Yount – I filled her in on Zach’s request today.

Just FYI ... keeping you in the loop. Napa DAs office was the one that did the recording and the link is expired (in case you get asked by the R if/when he calls you). See email chain below for info.

That was the issue last time. Okay thanks. Anyway he may ask – Sonoma DA already told his attorney this info a while back.
